Présence

the versatile professional clarinet

Crafted to meet the needs of musicians at every level and across all musical genres, **the Présence clarinet is the ultimate "universal" instrument**.

For over a decade, it has set the standard for entry-level professional clarinets, offering exceptional sound quality and playing comfort. Today, Henri SELMER Paris has taken it even further, with **a redesigned bell and wider rings for improved tonal balance and resonance**.
Lighter for enhanced comfort, it features **Gore-Tex® and Valentino pads** ensuring **greater precision and durability**. The use of FSC-certified grenadilla wood and its elegant design showcase SELMER's exceptional craftsmanship, while the **EVOLUTION★ system** provides optimal stability and protection against moisture.

Delivered with **two barrels** (64,5 mm and 65,5 mm), an **Echo mouthpiece** and a refined case, the Présence strikes **the perfect balance between tradition and innovation**, ready to excel in any musical setting.

Henri SELMER Paris
Designer and manufacturer of wind instruments, mouthpieces and reeds since 1885

Présence

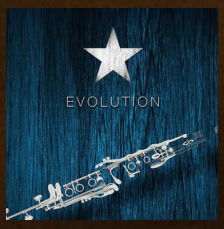
ACOUSTICS

A new ring design, with more material (7 mm wide), provides the instrument with greater resonance.

Two newly designed barrels are included: 64.5 mm and 65.5 mm, to adapt to any playing conditions.

Improved tonal consistency across registers thanks to the new internal bell shape.

RELIABILITY : INTEGRATED EVOLUTION★ SYSTEM

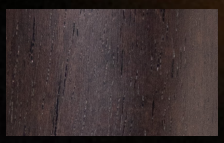


Thanks to an innovative inner lining process using a next-generation resin, the EVOLUTION★ system ensures enhanced stability and longevity, while preserving the acoustic qualities of a wooden clarinet.

Weight reduction of up to 30 grams, from 814 g to 784 g.

The two pads for the ring keys are made of GORE-TEX® for greater precision in touch. The remaining pads are Valentino type.

AESTHETICS



FSC-certified Grenadilla wood from sustainable sources, selected for its high density, stabilized for 3 years in a controlled environment.

MARKING

The Δ symbol and the EVOLUTION★ system differenciate this new generation of Présence from the previous version.

Wood batch traceability number.

Clarinet serial number.
