

E♭ CLARINET

ALTO

The carefully crafted design of the Henri SELMER Paris E♭ alto clarinet skilfully combines a top-quality grenadilla wood body with a silver-plated neck, bell and keys, providing a perfect harmony of acoustics, functionality and aesthetics. Selmer's experienced craftspeople ensure that each alto clarinet is fitted with meticulous precision, ensuring immediate response and exceptional playability for the most demanding musicians.

The rich, warm sound of the SELMER Paris alto clarinet bears witness to the constant quest for sonic perfection. Experienced musicians and amateurs alike will appreciate the flexibility of this clarinet, allowing exceptional expressiveness in nuances and tonal variations.
