

# B $\flat$ CLARINETS

## PROLOGUE CONCERT

*The elegance of a wooden clarinet.*

*The freedom to progress.*

The Prologue Concert B $\flat$  clarinet combines the recognized playing qualities of the Prologue with an understated, timeless design.

Its grenadilla wood body, polycylindrical bore and ergonomics designed for comfort deliver easy response, an even tone and reliable intonation.

The three-axis adjustable thumb rest and ergonomic register key promote a more natural hand position and easier access to the upper register.

With its metal ring set into the bell, mother-of-pearl inlay on the upper joint and silver-plated keywork, Prologue Concert has an understated, timeless presence.

It is supplied with the Henri SELMER Paris Echo mouthpiece, delivering a rich, colourful and flexible tone, together with an elegant compact case with shoulder strap.
